

Golden Shoe Campaign increases chances to win

The Golden Shoe Campaign has increased the odds of participants winning a new pair of athletic shoes.

A golden shoe will now be hidden every week through Oct. 19 along each of the three Golden Shoe walking routes. The routes are located in Zeeland, Holland and Grand Haven. When a participant discovers a golden shoe, they win a new pair of walking shoes.

Entry forms and maps of the routes are available at Herrick District Library, Loutit District Library in Grand Haven and Howard Miller Library in Zeeland, as well as www.gethealthyottawa.org. After walking a route, participants drop off their entry forms at the library and are registered to win a wellness basket filled with items donated by local businesses.

The campaign is a project of the Ottawa County Wellness Coalition.
